EMPOWER YOUR COMPLIANCE PROGRAM: A CERTIFICATION INTENSIVE COURSE

JANUARY 18 - 20, 2012 › ORLANDO, FL

Your organization wants to know a) how compliance contributes to it, and b) how your program compares to what others are doing.

This course views the elements of a compliance program in terms of how they can increase overall organizational effectiveness. **Best practices for all program elements are presented.**

Successful completion of this program allows participants to meet all educational requirements for the Health Ethics Trust's Certified Compliance Professional (CCP) and Certified Compliance Executive (CCE) credentials.

EXECUTIVE CERTIFICATION COURSE

FEBRUARY 6 - 8, 2012 › ALEXANDRIA, VA

This course allows CCOs to complete all educational requirements for the CCE or CCP credential in one sitting. This is a comprehensive, organized treatment of many of the issues that CCOs face in the daily operation of their compliance programs. Attendance is strictly limited.

ADVANCED COMPLIANCE ISSUES: A CERTIFICATION INTENSIVE COURSE

MARCH 19 - 21, 2012 › SAN DIEGO, CA

Rather than repeat the same platitudes about compliance programs, this program looks at current issues in healthcare compliance and at the issues arising from the broad changes healthcare is undergoing. Each issue is treated in depth by the top experts in the country.

THE COMPLIANCE - QUALITY FORUM: INNOVATIVE WAYS TO BRING QUALITY & COMPLIANCE TOGETHER

APRIL 23 - 24, 2012 › PHILADELPHIA, PA AREA

The future of compliance depends on its ability to go beyond risk reduction and contribute to the quality of care delivered to patients and members. This program brings together individuals who have begun the compliance and quality integration process in their own organizations and with other thought leaders. A practical process for integration is presented at the conclusion of the course.

COMPLIANCE RISK AND PROGRAM ASSESSMENT

APRIL 25, 2012 › PHILADELPHIA, PA AREA

This course provides the tools you need to carry out compliance risk and program assessments. The assessment tools used by the Trust have become industry standards and are widely used by providers, plans and life science companies. Successful participants are qualified to participate in the Trust's compliance program peer review process as well.

ALL COURSES CARRY CREDIT TOWARDS THE HET CCP AND CCE CREDENTIALS.
